

DMM's Content Policy

DMM's social and sharing products enable people from diverse backgrounds to start conversations, share experiences, collaborate on projects, and form global networks. DMM's policies play an important role in preserving an encouraging experience for our users on our services (collectively referred to as the "Services").

DMM reserves the right to remove any content, in whole or part, that violates this Policy, or for any other reason at our sole discretion. In case of violation of this Policy, such violation will be investigated, User's account may be terminated and appropriate legal action may be taken.

You can report the content directly or contact us to report content that appears to violate this Policy.

DMM may modify this Policy at any time at its sole discretion.

The following content is never allowed on DMM:

1. Illegal and Fraudulent Activities

The Services may not be used to engage in illegal or fraudulent activities or to promote or support dangerous, fraudulent, or illegal acts. Such service include, but are not limited to child exploitation and human trafficking or any affiliation with the aforementioned activities. DMM's Services may not be used to upload or share of content that exploits or abuses children, including child sexual abuse imagery and content that presents children in a sexual manner.

It is prohibited to upload or share content that promotes, enables or discusses human trafficking.

Users may not publish any written, image, audio or video content that promotes pedophilia, incest, bestiality, or sexual violence or force in any of the platforms, services or products provided by DMM Solutions.

2. Harassment, Bullying, and Threats

The Services may not be used to engage in harassing, bullying or threatening behavior or incite others to engage in these activities. In threatening, or sanctioned situations, DMM holds the right to report imminent threats to the police or other law enforcement authorities.

It is prohibited to distribute private information such as credit card numbers, confidential national ID numbers, or account passwords using the Services.

3. Spam

The Services may not be used to send spam, including the sending of unwanted promotional content. Any unsolicited promotional content sent via any spam techniques are not permitted.

4. Hateful Activities

The Services may not be used to promote violence against individuals or groups based on race or ethnic origin, religion, disability, gender, age, nationality, veteran status, or sexual orientation/gender identity.

5. Sexually Explicit Material

The Services may not be used to distribute sexually explicit or pornographic material.

We do not allow content that exists for the primary purpose of monetizing pornographic content or driving traffic to a monetized pornography site.

6. Violence

The Services may not be used to post violent or gory content or otherwise distribute graphically violent materials.

It is prohibited to use services with the intent to deceive, mislead or confuse users by either impersonating any person or organizations you do not represent, or concealing your ownership or primary purpose.

This Policy applies generally to the content you post on our Services.

Reporting Potential Issues

If you encounter content or a user that you believe violates the above policies, please report it to us by contacting us directly using the “Contact Us” link.
